UNT System Consolidated Budget Overview

UNT System Consolidated FY 2021 total current funds budgeted revenues are \$1.09 billion, which is a decrease from FY20 current funds budgeted revenues of \$37.89M (3.3%) and \$15.06M (3.7%) below FY20 for 21 unds wd-3 (%5.1 (\$)-3 (.)eW nBT0.502 g0.002 Tc -0.002 Tw 10.02 -0 0 10.02 424.c12 (M)13ip4

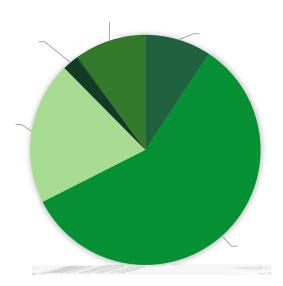

Total current funds budgeted Expenses and Transfers for UNT System for FY 2021 are \$1.07 billion. At the outset of the COVID-19 pandemic, our institutions set out to ensure that the economic impact would not be detrimental long-term. Each institution identified cost control and efficiency measures that are reflected in the expense budget for FY21.

Total Personnel Costs make up the largest portion of expenses at \$625.18M or 58% of the current funds expense budget and are \$28.56M less than FY20 budget. Maintenance and Operating expenses make up 20% of the overall expense budget at \$217.32M, a decrease of \$9.5M from FY2020. Both of these decreases are a reflection of the aforementioned efficiency and cost control measures.

The majority of current fund expenses are from Education and General (E&G) funds (40%) and Designated Operating funds (38%).

The UNT System Consolidated Operating Budget reflects an impact on fund balances in current funds of approximately \$12.85 M. Where applicable, planned usages of fund balance are included on an institution's budget template, and are included on the UNT System Consolidated detail template.

UNT Budget Overview

Strategic Impact and Major Goals Addressed by FY2021 Budget

At the University of North Texas, our caring and creative community prepares students for careers in a rapidly changing world. As one of the nation's largest universities, we offer 106 bachelor's, 88 master's and 36 doctoral degree programs, and will be launching 6 new academic programs this fall. By providing access, welcoming diversity and strengthening our collaborations with our many educational, business and community partners, as well as building new partnerships across the globe, UNT's faculty and staff work each day to prepare students for the challenges they will meet in our changing world. Investments made during FY 2021 and in subsequent years will support our students in becoming the innovative leaders of tomorrow.

Revenues

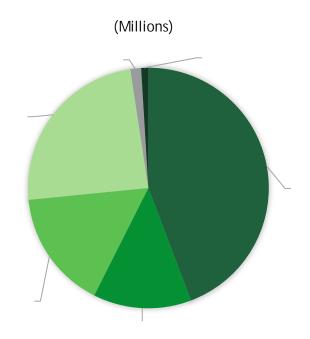

Tuition and Fees

UNT anticipates net tuition and fees of \$327.5 million in FY 2021, a decrease of \$19.7 million from FY2020 Year-End Forecast (\$32.9m budget to budget decrease). The decrease in tuition and fees assumes flat domestic enrollment, and 25% reduction in international enrollment. Discounts & Allowances continue to grow and support two major initiatives: National Merit Scholars and UNT Excellence Scholarships. Both of these initiatives are competitive, merit based awards that gain UNT a larger share of the Top 10-25% students. Board approved increases to existing differential tuition, increase to board designated tuition for graduate students, and Student Service Fee are included.

Sales of Goods and Services

The university is planning for student housing and dining to be operational. However, declines in revenues are expected due to less demand and capacity to offer space rentals and food services for outside conferences and events during the fall semester. Creative scheduling will use some auxiliary spaces to hold class in order to maintain social distancing requirements. Retail revenue has also been adjusted downward as our Student Union retail shops will see less traffic due to social distancing measures and more courses being delivered remote or partially in-person during the fall semester.

Grants and Contracts Grants and Contracts will increase \$3.7m (budget to budget) overall. CARES funding was heavily used in FY20, but approximately \$8.8m will be available to be spent in FY21. Other restricted grants and contracts are expected to decline by \$6.1m and Pell will increase by \$1m as more of our students are eligible for the program than years prior.

UNT Dallas Budget Overview

The University of North Texas at Dallas is the only public, accredited 4-year university in the City of Dallas. UNT Dallas has served as a pathway to socioeconomic mobility since its establishment in 2010. According to a study conducted by the Dallas-based nonprofit ScholarShot, UNT Dallas is number 1 in the State for effectively serving first-generation, low-income students.

We offer our students the most affordable tuition plans in the Dallas region – helping them blaze their trail toward a bachelor's, master's or juris doctoral degree, while minimizing student debt. According to the 2020 U.S. News & World Report, UNT Dallas is number 1 among 112 universities in its classification for least student debt. Our value-based education is accompanied by innovative, high-quality academic programs that include opportunities for rich experiential learning.

UNT Dallas is adapting to the COVID-19 environment and will emerge from the pandemic stronger than before. We will continue increasing enrollment, retention, and graduation rates. UNT Dallas has achieved record enrollment exceeding 4,000 students, with an expectation of growth to 5,000+ students by Fall 2022. UNT Dallas will continue to fulfil our mission to empower students, transforms lives, and strengthen communities while maintaining a balanced budget now and in the future.

Revenues

Total FY2021 current funds revenue for UNT Dallas is budgeted at \$76.0m. This is 5% increase over the FY2020 current funds revenue budget of \$72.4m.

State Appropriations

FY2021 marks the second year of the FY2020-21 State biennium. Due to the COVID-19 pandemic the State has called for a 5% reduction to General Revenue appropriations in the 2020-21 biennium. This results in a \$1.4m reduction to the State appropriations that are budgeted for FY2021. There was no reduction to the Tuition Revenue Bonds (TRB) appropriations, which provides almost \$8m of support annually for Founder's Hall, Dallas Building 1, and the Student Center debt service. Outside of the bill pattern, UNT Dallas will also be receiving a \$1.2m increase in our HEF allocation.

Tuition and Fees

Due to the pandemic, UNT Dallas kept tuition and fee revenue estimates for the FY2021 budget mostly flat to be conservative with the aim of actual tuition and fee revenue being higher with the goal of minimum 4% growth. Prior to the pandemic, goals for growth were 8% and we plan to return to that growth level FY2022 and forward.
